Subject: Documents required for proof of Identification for issue of Protected Area Permit.

Sir/Madam,

Home Department is in receipt of applications from Tourism and CA Department, Army, Forest and Environment Department and Information and Public Relations Department for issue of clearance to allow Indian Nationals to visit Protected Areas in the State. These requests are usually received at the last minute and the accompanying documents which have to serve as proof of Identification are not found satisfactory and are, at times, indecipherable.

Hence, it is requested that all such requests from now onwards, should be accompanied by a legible self attested copy of one of the following documents as ID proof.

1. Voter Card
2. Driving License
3. Passport
4. Departmental ID cards issued by the Central or State Government.

Hence, I am directed to request you to kindly inform all concerned accordingly.

Thanking you,

Yours faithfully,

AD Permit
